Professional of the Month Update

Tommie Guy will assist in coordinating the awardings. The nominations from previous nominees have been saved to send to the nominees so they know the kind words their peers had for them. Volunteers for POM baskets are Lori McDonald for October, Tara Connolly for November, and Rebecca Eckland for December.

Gratitude Tree – Michael Miller

There are A-Frames available for use at each campus. The committee discussed what materials could be used to create trees and considered using a real tree or artificial tree for ease. Committee members will find out if we have artificial Christmas Trees that could be used. Also discussed was how to keep the supplies stocked, having folks use their own pens, who do we reserve space for the tree from, and what campus locations to place a tree. It was also suggested to do a joint activity with SGA.
